

**At the beginning there
was an idea**

**The
Frankfurter
group or
the IALC**

Problems of the IOC

Why a new organization ??

The IALC organizes itself!

The IALC runs a secretary's office.

The IALC is in cash and therefore it is able to act.

The IALC profits from interactions.

The IALC organizes itself

- **The IALC forms a precise idea of the organization of the association.**
- **The IALC founded a sponsoring pool.**
- **So the IALC considered the finances.**
- **The sponsors approved of the conception.**
- **The IALC drew up a draft of articles that will be discussed.**

Why a new organization ??

The IALC organizes itself!

The IALC runs a secretary's office.

The IALC is in cash and therefore it is able to act.

The IALC profits from interactions.

The IALC runs a secretary's office

- **The IALC's office has among other things following functions:**
 - **Carry on the address data bank of the nations**
 - **Translation of correspondence**
 - **Translation of the competition regulations**
 - **Information to the nations**
 - **Public relations**
 - **Delivery the correspondence of the IALC**
 - **etc.**

Why a new organization ??

The IALC organizes itself!

The IALC runs a secretary's office.

The IALC is in cash and therefore it is able to act.

The IALC profits from interactions.

The IALC is in cash and is able to act.

- **Because of the sponsoring pool and the membership subscriptions the IALC disposes of financial funds. The money can use within the meaning of the association.**
- **This money can be used for the organization of the competitions. So there will be cheaper for the accomplishing nation.**

Why a new organization ??

The IALC organizes itself!

The IALC runs a secretary's office.

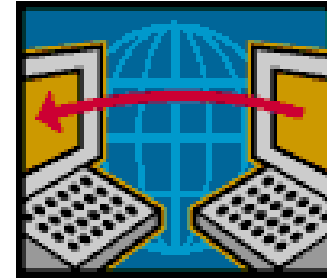

The IALC is in cash and therefore it is able to act.

The IALC profits from interactions.

The IALC profits from interactions

- **The IALC profits from interactions in following domains:**
 - **Create, translate and make the competition regulations available**
 - **Create and make the evaluation-programms available**
 - **Assistance for the instruction of the referees**
 - **Acquisition and making the measuring instruments available**
- **Taking advantage of these interactions conducts to make the competitions cheaper and conducts to a fair and correct rating oft the performances of the athletes.**

Profits for the IALC's members

- **Right of co-determination for all decisions of the IALC**
- **Right to vote and franchise**
- **Securing the continuation of the world championship**
- **Warranty of a fair and correct rating of the performances of the athletes**
- **Making the organization cheaper for the accomplishing nation**
- **Profit from interactions of the IALC for national championships (regulations, measuring instruments, organization, evaluation-programms)**
- **Etc.**
