

The regulation on awarding of ialc challenge cup in team class of the nations

1. Founder

The challenge cup is founded by ialc.

2. Purpose

The challenge cup is awarded on the event of the **WORLD LOGGING CHAMPIONSHIPS**.

3. Winner

The winner and thus the team world champion is the nation that, in accordance with the valid regulation **WORLD LOGGING CHAMPIONSHIPS**, that obtained most total points from the four participants in professional class,. The challenge cup is given against receipt.

4. Permanent possession

If the nation wins a cup for five times, the cup goes finally into permanent possession of that nation.

5. Possession/loss des Wanderpreises

The challenge cup remains in the possession of the holder until the next world championship. The winner is required to treat it carefully towards ialc. Before each new championship, the cup must be engraved by the winner. If the cup is damaged, the winner must repair the cup a specialist on his own expense. In the case of loss of the challenge cup by the holder, he must take over the costs of a new one, including engraving.

6. New founding

In the case of permanent winner, ialc donates for the following championship a new challenge cup.

7. Validity

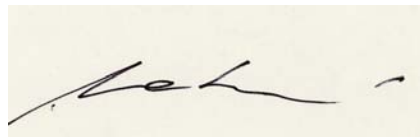

This regulation comes retroactively on the 1 January 1983 into force.
